

EEX tenders new market making¹ agreements for THE Gas Futures Market

Dear trading participants,

EEX is pleased to offer additional seats for the new market making scheme for its THE Natural Gas Futures. These seats are being rolled out through a tender procedure. EEX invites all its interested direct and indirect trading participants to participate in the tender.

The new program combines standardisation with flexibility aiming to provide best service and attractive compensation under all market conditions. In total, EEX intends to select up to 2 market makers for the THE Natural Gas Futures Hub according to the rules laid down in the tender rulebook.

Trading participants who wish to take part in the new market maker scheme for THE Natural Gas Futures are requested to complete and submit their application to EEX no later than 18 March 2024 CET. EEX reserves the right for plausibility checks of the bidding forms and may exclude participants from the selection process.

¹ When used in this Customer Information the term “market making” shall also include the provision of quoting services by indirect trading participants of EEX and the term “market maker(s)” shall also include indirect trading participants of EEX providing such quoting services.

For more detailed information as well as the necessary documentation and rule book, please get in touch with your Key Account Manager. Furthermore, please do not hesitate to contact Market Operations if you have any questions.

Yours sincerely,
